***Business meeting for Appropriations only will be called for 7:30 o'clock in the evening.

3. To see if the Town will vote to empower the Selectmen to borrow such sums of money as may be necessary to meet current expense of the Town until the taxes are paid to the Treasurer.

4. To see what sum of money the Town will vote to raise and appropriate

for Concord Hospital.

5. To see what sum of money the Town will vote to raise and appropriate for Franklin Hospital.

6. To see what sum of money the Town will vote to raise and appropriate for use at Rolfe Park.

7. To see what sum of money the Town will vote to raise and appropriate for the Penacook Youth Center.

8. To see what sum of money the Town will vote to raise and appropriate for Community Park. (Balance $111.53)

9. To see if the Town will vote to give the Selectmen authority to transfer or sell property taken by Town in default of redemption from Tax Sales.

10. To see if the Town will vote to raise and appropriate the sum of $5,000.00 for the purchase of the Cook land for site of a new Much-I-Do-Fire Station.

11. To amend the vote of the Town establishing a Planning Board at the annual Town Meeting held on March 8, 1960, so as to specify that the Town Clerk shall be the municipal officer who shall issue on behalf of the Town a certificate of failure on the part of the Planning Board to take action on approval or disapproval of a plat submitted to it within the time allowed, as provided by RSA 36:23.

12. To approve in principle the construction of the following sewage treatment and disposal facilities in accordance with the Report On Sewerage and Sewage Treatment by Camp, Dresser & McKee, Consulting Engineers, dated January, 1966, as revised:

(a) A sewage treatment and disposal system to be constructed by the Town of Boscawen to serve the Boscawen Plains section of the Town, consisting of a sewage disposal pond in the intervale along the Merrimack River and the necessary intercepting sewers leading from the Daniel Webster Highway; and

(b) A joint Boscawen-Concord sewage treatment and disposal system to serve the Penacook sections of the Town of Boscawen and the City of Concord, consisting of a combined intercepting sewer extending along the North side of the Contoocook River and located partly in the City of Concord and partly in the Town of Boscawen to intercept waste from both municipalities which now discharge into the

Contoocook River from the North, an intercepting sewer located in Concord to intercept waste from the Penacook section of Concord which now discharges into the Contoocook River from the South, and a joint treatment plant located in Concord for treating the wastes from both of these interceptors; each municipality to construct and maintain the facilities of such joint systems located within its limits; and the Town of Boscawen to reimburse the City of Concord on an equitable basis for the facilities and additional treatment plant capacity constructed by the City of Concord for the Town's benefit (less Concord's fair share of the cost of the additional flow capacity provided for its benefit in the combined intercepting sewer constructed in Boscawen), and also to reimburse the City of Concord annually for the Town's proportionate share of the cost of maintaining and operating the treatment plant, the amount of such reimbursements to be determined by agreement of the Town and City.

13. To raise and appropriate a sum not exceeding Twenty Six Thousand Dollars ($26,000.00) for the preparation of final engineering plans, specifications and contract documents for (a) the construction of a sewage treatment and disposal system to serve the Boscawen Plains area, and (b) the construction of those facilities of the joint Boscawen-Concord sewage treatment and disposal system (to serve the Penacook sections of the Town of Boscawen and City of Concord) which are to be constructed within the Town of Boscawen, such appropriation to be contingent upon an appropriation made by the governing body of the City of Concord on or before July 1, 1968 for the preparation of final engineering plans, specifications and contract documents for the construction of those facilities of said joint Boscawen-Concord sewage treatment and disposal system which are to be constructed within said City of Concord; to determine what part of such appropriation shall be raised by taxation in the current year; to borrow in the name of the Town by the issuance of a note or notes maturing not more than one year from the date of issue in accordance with the provisions of the Municipal Finance Act and amendments thereto and any other statute thereto enabling, the balance of such appropriation not to be raised by taxation in the current year, and to authorize the Selectmen to fix the date, interest rate and other details of such note or notes and to do whatever may be necessary for the issuance and sale thereof; and to authorize the Selectmen to employ engineers and to do and perform such further acts and things as may be necessary to carry the foregoing into effect.

14. To authorize the Selectmen to employ legal counsel to represent the Town in negotiating an agreement with the City of Concord for the construction, maintenance and operation of a joint sewage treatment and disposal system to serve the Penacook sections of the Town of Boscawen and

the City of Concord, in accordance with the provisions of RSA 53-A and any other statutes thereto enabling, such agreement not to become effective until approved by the governing bodies of the Town and City.

15. To authorize the Selectmen to execute a purchase order in behalf of the Town for a new fire truck to be delivered in 1969, replacing the 1941 LaFrance fire truck, the cost thereof not to exceed $22,000.00; and to raise by taxation in the current year the sum of $6,000.00 toward the acquisition of such new fire engine, which sum shall be paid into the capital reserve fund established for such purpose by vote of the Town at its annual meeting held on March 14, 1967.

16. To see what action the Town will take to have the town re-evaluated by the State Tax Commission, estimate of $9.80 per parcel.

17. To see if the Town will vote to become a member of a regional planning agency. This agency will have membership of at least two of the municipalities in the Boscawen area. The objective of this agency will be to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern and to assist in the effectuation of projects which extend beyond the boundaries of a particular town. This agency will have no jurisdiction over any matter of local affairs. It will be primarily advisory. Two members of the regional planning agency shall be from (the town) of Boscawen to be appointed by the Selectmen. A YES vote is in favor of joining the regional planning agency.

18. To see if the Town will vote to give the Selectmen authority to transfer any unexpended balance of money from one appropriation to another.

19. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and sixty-eight.

AUDITORS' REPORT

We, the undersigned Auditors of the Town of Boscawen, certify that we have examined, checked and verified the records and accounts of the Treasurer, Treasurer of the Library Trustees, Treasurer of the Trust Funds and the Selectmen's records and find them correct.

We have also examined, checked, made certain corrections, and verified the records and accounts of the Town Clerk, the Levy of 1966 and previous years of the Tax Collector and the Tax Sales.

The 1967 Tax accounts of the Tax Collector have not been submitted for audit. A complete audit will be made as of March 1st.

Tax money was not remitted to Treasurer as required.

BOSCAWEN PUBLIC LIBRARY

Good books are to the young what the warming sun and refreshing rain of spring are to the seeds which have lain dormant in the frosts of winter.

– HORACE MANN

Meetings have been held by the Library Trustees during the year. Many groups interested in town affairs use the Main library building for their meetings. It is also the office of the selectmen.

There has been a definite increase in the use of the Library by the adults the past year.

The trim on the Main building has been newly painted and repaired and is a big improvement. The brick walk and the loose brick on each side of the building are also being repaired.

The annual sum of fifty dollars was received from the Thornton Fund for the purchase of children's books at the Branch.

We are very fortunate in having Bookmobile service from the State Library with a large selection of fiction and non-fiction books. The librarians also borrow books from the State Library upon request of its readers.

Through the kindness of Mrs. Iyla Bartlett collections of books are taken to the Merrimack County Home.

Book Week was observed at both libraries with new books and posters on display.

Two hundred thirty-three new books were purchased last year and two sets of Child Craft Encyclopedias.

The Librarian, Mrs. Edgar Broughton, with the assistance of Mrs. Aldric Forest, has been very busy re-cataloguing the books at the main library; they are doing an excellent job.

A gift of a record player and records was given to the library by a friend to be used in the library or by any interested group. We also received a gift of Columbia records from the Columbia Broadcasting Company which may be taken from the library if anyone wishes. The Library Trustees gratefully acknowledge these gifts.

The Trustee's also wish to express their thanks and appreciation for the faithful services of our janitors, Mr. & Mrs. Lester Woodbury who, being unable to continue, resigned last November.

We have engaged Mr. Aldric Forest as the new janitor.

Circulation for the year was as follows:

Adult fiction	2,364
Adult non-fiction	738
Juvenile fiction	2,627
Juvenile non-fiction	701
Magazines	752
Total	7,182
Main building	4,147
Branch	3,035

WARRANT FOR ANNUAL MEETING OF

Penacook-Boscawen Water Precinct

To the inhabitants of Penacook-Boscawen Water Precinct in the County of Merrimack and State of New Hampshire, qualified to vote in Precinct affairs:

You are hereby notified to meet at the Boscawen Town Hall in Boscawen in said Precinct on the 29th day of March, 1968 at 7:30 o'clock in the evening, to act upon the following subjects:

1. To hear the reports of the Precinct officers and pass any vote relating thereto.

2. To choose all necessary Precinct officers for the ensuing year.

3. To authorize the Precinct Commissioners to borrow money in anticipation of Precinct taxes time, within one year, and at such place as the Precinct Commissioners shall determine.

4. To see if the Precinct will vote to raise and appropriate the amounts listed in the budget for 1968.

5. To see if the Precinct will vote to give the Commissioners authority to transfer any unexpended balance of money from one appropriation to another.

6. To see if the Precinct will vote to establish a capital reserve fund, in accordance with the provisions of RSA 35 (as amended), for the acquisition of land and rights in land, and to raise and appropriate a sum not exceeding One Thousand Dollars ($1,000.00) for such reserve fund if the same is established.

7. To see if the Precinct will vote to establish a capital reserve fund, in accordance with the provisions of RSA 35 (as amended), for the acquisition of earth excavation equipment and an air compressor and accessories thereto; and to raise and appropriate a sum not exceeding Four Thousand Dollars ($4,000.00) for such reserve fund if the same is established.

8. To transact any other business which may legally come before the meeting.

Given under our hands and seal this 23rd day of February, 1968.

Approximately 850 feet of 6" main was installed on Queen Street development.

We had three breaks in mains during the year.
Services installed - Nine house
Eleven trailer
New service to Community Park 1¼" pipe

Service Frozen - Nine
Service Repaired - Four
Two new sprinkler services were installed
One 8" tee and gate valve installed at junctions of Water Street and Raymond Road
One new 6" hydrant installed - Queen Street (Upper End)
One hydrant repaired

PROJECT REPORT OF NEW CONSTRUCTION

The new construction authorized last year is about 90% completed at this time. Due to delay in receiving some station equipment we thought it to be in the best interest of the Precinct to close the project down because of the frost.

The new pipe lines suction and discharge mains are complete with the exception of testing and chlorination.

It was this phase of the job that we thought would be to our advantage if there wasn't any frost.

We will have to install an alarm system to comply with State regulations which has not been started yet. Arrangements have been made with R. H. White Co. for this phase of the job.

So we hope all work will go forward as soon as the frost is out in the Spring.

AUDITOR'S CERTIFICATE

In accordance with instructions from the Commissioners, we have made an examination of the books and records of the Treasurer of the Penacook and Boscawen Water Precinct for the year ended December 31,1967, and have prepared the following statements:

Exhibit A Balance Sheet as at December 31, 1967
Schedule A-1 Detail of Funded Debt as at December 31, 1967
Exhibit B Statement of Receipts and Disbursements For the Year Ended December 31, 1967

We have examined all checks issued by the Precinct during the year. We have also made an extensive check of all vouchers.

All recorded cash receipts were traced to the bank statement. In addition, we abstracted a list of the unpaid water rents as at December 31, 1967.

The Statement of Receipts and Disbursements correctly reflects the receipts and disbursements for the year ended December 31, 1967.

The Balance Sheet, Exhibit A, shows the Assets and Liabilities as at December 31, 1967, in accordance with the Public Utilities Commission Classification of Accounts.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 a.m. – 5: p.m. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the Town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material – use the ashtray.

BOSCAWEN PLANNING BOARD

On the recommendation of the Selectmen, the Town Meeting of March 1967 authorized the Planning Board to adopt subdivision regulations. The two required public hearings were held, and a set of rules was published on July 14th. Standards have been set up for streets, water supply and sewage so that they will be in proper condition when accepted by the Town. Developers and sub-dividers will be required to meet the Town's requirements in order to avoid costly rebuilding at the taxpayer's expense.

This proposal was outlined in the General Plan of the Town, and the action is one of the steps needed to meet the problems of our growing community.

Another proposal now before the town is the building of a fire station. We believe that it should be planned with consideration for future needs of other activities in order to avoid costly duplication.

The Town Meeting Warrant contains an article which will pose the question of whether Boscawen desires to become a member of a regional planning agency composed of several neighboring municipalities. Such an agency offers future help in economic development and municipal services. But of immediate importance is the fact that in order to receive Federal grant funds for sewage disposal, a town is required to participate in a regional plan. The purpose is to assure that grant funds will not be used to construct single systems when joint use by two towns would be more economical. Any money spent by the Town on planning would be extremely small when compared with the cost of a sewerage system.

Copies of the General Plan are in the hands of town officials, community organizations, and the two libraries.
